BROOKLYN
LEE

VICTORIA
RAE BLACK

BRIDGE FOR SALE!

Dear FOX: The woman gracing the cover of your May issue has captured my heart. Well OK, if you want to be honest it would be more accurate for me to say that she's captured my cock. I swear that I have not had a single orgasm since laying eyes on that issue where Miz Brooklyn Lee has not figured prominently in my fantasizing. I do believe that I could spank it to her until the end of time and never get bored. Does this mean that I am ready to make the commitment to one ho and one ho only for all my chicken choking needs? Nah. But I do intend to drain my balls for Brooklyn for a good long time to cum! (See what I did there?) She is beyond fuckable. —Mario in CT

GIVE A BROTHER A HAND!

Dear FOX Mag: I like porn. While this may seem like an obvious statement, I want to clarify that I prefer to see women defile themselves and each other as opposed to seeing another male in on the action. That's not to say that I don't enjoy the sight of women in the midst of getting fucked, but I don't really like to see hairy balls other than my own. However now I must disclose that there was set in the May FOX that turned me the fuck on that featured a woman getting fuck by not only one but TWO big dudes. Despite my aversion to taint, there was just something about the photos of Brittany Lynn taking down two fat, hairy cocks at once that had

me rubbing my own dick raw. I think it was thanks to her full-on sluttishness, emphasized by those tats and suntan lines. She looked like she belonged there, getting double-teamed by those dudes. Those types of fucking situations is exactly what that ho Brittany was made for. I gotta admit that I'd likely drop trou and stick it to her in the company of another male—which is STRICTLY against my rules normally but something about that filthy little bitch does it for me. —Brian in SC

LOYAL TO THE INK

Dear FOX: I heard a saying once that if a chick has two-tone hair like blonde and black it means she can be found on the Internets somewheres

naked. Is there any truth to that? Are there any porno chicks rocking that look? I kind of like the look of two-tone hair myself. There is something a little on the trashy side about it but I have never been done wrong by a trashy type of chick. From my experience they know how to use their mouths real good. I don't tend to spend a lot of time surfing the Web because it seems like a waste of energy but if I find me some naked pictures of chicks with two-tone hairdo's I might head over to the library and sign up again to use this computer online. I sure as shit don't have one of these things at home.—*Larry2010 via email*

A FOX AND A COLD ONE

Dear FOX: Work sucks. While I am grateful to have a job in these trying times, the fact remains that work is still sucky. I don't want to get into what I do, but let me just say that by the end of the day I am exhausted and not in a good way, like I imagine the men starring in pornos must feel. Now *that's* the type of exhausted a man could really enjoy. Anyway, what I am getting at there is that at the end of each and every shitty day I love

to kick it with a cold brew and the most recent issue of FOX and rub one out. It really puts a positive spin on things and it gives me something to look forward to at say 2 PM when I start to wonder if I'm ever going to make it until 5. Sometimes I go out and grab a few brews with the boys but really I'd rather just head home to my FOX. Thanks.—*Ben in UT*

TROLLING FOR FOX?

Dear FOX: I always read Mailslot each and every issue and sometimes I notice that females write letters into your publication. Every time I see a female name signed at the bottom of a letter, I wonder to myself "is that really something a female wrote or is some sick bastard posing as a female for kicks?" I know all about that crazy shit, I used to have a roommate back in the day who wore panties and minced around the house when I wasn't home. I know this because I caught him once and I damn near killed the bastard. He had lipstick on and everything, the sick fuck. He confided to me as I was kicking his ass out the door that he had a female "alter ego" and he wrote letters to magazines and message boards

and stuff. I am asking this because I get wood thinking that there are actual women out in the world looking at the same filth that I am. I don't want to date a porn slut but I would like to date a girl who likes to get all horny looking at photos of porn sluts with me. But then sometimes I worry that I am getting wood over a letter written not by an actual female but by a fucked-up male like my old roommate Maurice and then I get all freaked out. Maybe I am overthinking things?—*Randall in MN*

ANOTHER HOLE STRETCHER

Dear FOX: All my friends think I am crazy but I love your magazine! I practice stretching my own holes out in my bedroom. I own tons of dildos in different sizes! I'm dying to know what it would feel like to have two different cocks inside of me at once. Or maybe even three! If I thought for a sec that my family would never find out, I would sneak to L.A. for a weekend and film a XXX scene, but I'm WAY too scared. FOX you're definitely my guilty pleasure!—*Becky in Boulder via email*

alexis
texas

Alexis Texas is the type of gal who, at a glance, can make a man's cock sit up and say howdy. She's got more sexy in her pinkie finger than most women can ever hope to muster, even after they learn Victoria's Secret. This porno powerhouse has been hailed as having one of the best asses in all fifty states and it sure ain't hard to see why. Her ten-gallon tush could easily cause a stampede the way it jiggles just-so while she's being mounted. It's worth pointing out that this filly can more than handle her own naughty needs—which means that as far as her Os go, studs are essentially superfluous. She'll ride that plastic prick off into the sunset, cunny dripping and thighs aquiver. Hell, she's even got her own pearl necklace! But, like any slut worth her salt, she'd much rather get off getting down and dirty with a dude. Thankfully a yee-hot-tie like Alexis will never be long without someone to fuck. 🐰

DIRECTOR
SHEL BLACK
SLUT 'N' PUPPET
KRISTINA ROSE, JORDAN ASH
PIXXX & ARTICLE BY JEFF HUBRIS

Naughty America director Shel Black synthesizes plot scenarios out of thin air while shooting stills or setting up gear. This scene is for a website called *naughtyoffice.com*, where all “storylines” occur, as one might expect, within similar parameters. Mr. Black’s creative process is sometimes enhanced by the input of others, so he has summoned our porno thespians Kristina Rose and Jordan Ash into an office-like corner of this porn-set house to provide improvisational energy toward the refinement of today’s narrative.

Kristina Rose is pissed because her co-worker Jordan has skipped lunch with her but gets really insulted upon catching him “reading” *FOX* at his desk! He’s in the doghouse now. Holy shit, she still wants to have lunch! They improvise upon the theme, searching for the money shot.

“I don’t like Chinese food,” quips Ash, trying to avoid the situation.

“How do you feel about Mexican food?” Kristina sleazily replies.

HAHAHAHA! Golden!

“Say that!” Shel Black screams. “That’s AWESOME!”

What has happened here, dear reader, is that Kristina Rose has humorously capitalized upon her Mexican heritage to deliver the highly treasured pivot line beyond which no further dialogue is needed. It’s all sucking and fucking from here on out. Much time and effort has just been saved. Sweat has been equitized.

In Pornoworld, just like in real life, you’re always looking for the sure bet, a situation requiring the least amount of worry that promises the best possible outcome. The universe, of course, will always figure out a way to fuck you over in a new, out of left field, surprise way that you never anticipated. This is a Universal Truth. If you are an individual who, for whatever reason, is in the position of hiring people to fuck in front of the camera, one way to minimize your downside would be to employ Kristina Rose as a vagina wielder. Part normal girl, part slut, part comedienne and full-time incessant talker with real tits, she keeps it rolling, whatever it is.

For me anyway, unaugmented fun bags have always been the way to go. I am aware that there are detractors out there who find this attitude distasteful. The pressures existing in Pornoworld for the most part do not support natural breasts that are on the “non-globe” side as being attractive or marketable. Bizarre chest dirigibles are spoken of in reverential tones. Kristina Rose strikes back.

“I don’t need fake boobs, no way!” she says adamantly while stepping into her business woman get up. “I don’t know where this comes from, but not all guys who are boob guys are into big boobs necessarily. I’ve had a lot of boyfriends who are boob guys who like my boobs. They’re small and whatever but they’re perfect. My nipples are amazing and everything about them is perfect. So many girls fuck up their perfect boobs.”

That’s because Pornoworld is a forever corrupting, surreal dream conducted by the dark forces of the universe where human foible is always subservient to fantasy. We can’t stop. Give us more.

Preliminary dialogue is completed. The filthy and dangerous, extremely perverted, soul-destroying issue of *FOX* is dispensed with. Kristina assumes a beaver revealing position on Jordan's desk. He pulls aside her black panties and starts eating. I have to admit she looks kinda hot in this secretary outfit. From a sexual radiance standpoint, there is quite a lot to work with here. There is the body of course but then, there's that face, a face that screams party fuckability. It never turns off.

Every fuck has a mood. Even phony, money-motivated porn fucks take on their own energy where reality is impinged upon by other factors. The bang out starts on the chair and ends up on the floor. Kristina Rose screams bloody murder several times in different positions, most notably during reverse cowgirl on the chair and open to the camera spoon on the floor. Blah blah blah. That's what we're in business for. Right? The overstated, screaming orgasm. I'm so sure.

KRISTINA ROSE: I'm still working a lot. I'm working every week. I always take a little bit of time off after AVN to de-funk and de-porn for a minute. I just kind of came back from a mini-vacation. I basically took a vacation hanging out around my house getting shit done that I needed to get done. What I usually do is take like a week off at home and just chill. The first two days I really clean my house up. Then the next phase of my vacation is that I go somewhere and I usually like to go to New York and do the exact same thing that I do here. I go there and I usually stay at a friend's place or sublet a place. Every day I wake up in the morning and smoke weed and I get a tall boy and Dunkin' Donuts in the morning, then I go to lunch with my friend. We're drinking beers and hanging out, then later on I go back and go shopping and make plans for later on that night. I just do that all week and live a normal life basically somewhere else.

My personal sex life lately has been little dry to be quite honest because I was seeing this guy for a while and he was the only guy I was seeing outside of work. So I kind of broke that off which was cool because I had a lot of work and I had some work postponed so I really wasn't getting laid that much.

I know what it takes physically to make me fucking cum, but there are dudes that do it on a different level, which is usually what I like. I can cum automatically, and someone can just do what they need to do to make me cum at work, which is cool, but outside of work I'm a little more interested in how you can get me to do that without touching my pussy. Like being able to bring me to that level in my mind. If you do work in a sex industry kind of job your tastes obviously change because you're able to fulfill a lot of fantasies and where do you go from there? Some people take it to a really freaky spot and I think women usually take it to a mental spot. I've always been a mental fuck.

Pimps don't care if their bitches fuck dudes because they know they have a hold of their mind on a different level. That's why I think I'm generally attracted to pimp-ish guys. I like a man that can get inside my head. Pimponomics.

KRISTINA: I've been getting more particular with talent. At this point in my career I don't want to work with anyone who skeeves me out and I really don't need the money that bad if that's the case. Also, after the HIV thing I just decided that there are certain kinds of people that I'm not going to work with, boys and girls. I'm not fucking with that shit. I'm going to go ahead and set the example and if other bitches are going to do shit that I don't feel comfortable doing by all means go and do it. This is your time to shine. I came, I saw, I conquered and I think I did pretty good and I'll let another girl who's younger and wants to do more shit do it. That's cool.

Last year my goal was to get started feature dancing and I wanted to start learning how to do my future after porn. I want to take it to another level this year. I'm taking photography classes and a sewing class because I want to make my own costumes for dancing. I'm just trying to do little things like that. I was going to do a porn site but then I decided that it wouldn't be lucrative enough. I'm going to make a blog and keep people up-to-date. I also do a lot of modeling for the different streetwear companies. I've been doing shirts and stuff with them. If anyone wants to hire me for anything they just have to call me and I'm always game to do something. I love to do different things. That's why I love dancing so much because I can go and meet the fans. It's so cool to meet them and it's so fun because they just want to have a good time and tell you how badass you are. I'm fucking in love with myself so I just want to hear how badass I am.

I don't know how I still work as much as I do. When I'm on set it seems like I always see the same ten or fifteen girls at a time. I'm going to see Asa and Alexis and I'm going to see Skin, I'm going to see Gracie. I'm going to see the same ten girls I always see. I know how much I'm working and I know how much my friends are working and I know we're probably all not working at the same level we were when I first started but the ratio of work I'm getting is the same.

I'm pretty domestic. Like seriously, when I'm not at work everyone makes fun of me because I'm always at home and I don't ever want to leave. My friends are like come to this party or just come over and smoke with us and I'll be like, *No, just get on Skype and we can smoke together.* Most of the time I'd rather just hang out, just me and Alexis Texas hang out and smoke and do our little crafts and shit that we like to do. Like we like to scrapbook. Everything we do when we hang out centers around us getting high and making some kind of craft or building something.

Alexis is my best friend. We talk every single day and I stay over at her house all of the time. She's my wife and she calls me her French husband. I proposed to her on the Eiffel Tower when we went there. We like baking and cooking and we like to sing karaoke and watch all of our little shows. We like the *Housewives of Atlanta* and *Beverly Hills*, the hip-hop wives, the basketball wives, all of the reality shows. We watch all of that crap. We been watching all of the basketball games recently. We go shopping a lot and were starting this year to do duo shows together where she does her thing and I do my thing. I'm excited about that.

KRISTINA: If you look at porn from back in the Seventies and Eighties there were all different kinds of boobs and you saw these girls who were born with perfect boobs. What happened? Plastic surgery is what happened. They have perfect boobs and they're butchering them. I will not be that girl. I will be proof that you can be successful without titties. People told me a long time ago that I would never be successful or a big-name girl because I did not have the right body type. I was chubby, or my boobs weren't big enough or whatever. I'm like, bitch all you have to do is do anal really good and you'll be successful, it really doesn't matter what you look like. If you're kind of cute and you do anal really good you're there. I had so many people tell me crazy things when I first got in the industry, like really crazy things. I got told the reason why this other girl's rate was so much higher than mine was that she was a white girl and I was a Latina girl and they don't pay that much for Latinas. I was like, really? I don't even speak Spanish. I was never going to be a box cover girl because I didn't have the right look. Spiegler told me that no one would ever pay me what my rate is. I actually wanted it to be a lot more that it was but he brought my big ass down. After a bunch of people started booking me I made him tell me that I was right.

Porn is not a dating service, it's a job. I would never fuck a tranny so I'll never do that on camera and I would never in my life fuck a gay guy, I don't want to do that either. I love my gay friends but I would never want to stick their dick anywhere near my nasty, old vagina. I've done scenes with guys that I've never heard of before who I end up looking up online later and figuring out who they were in the gay world and it made perfect sense to me why their dick was limp the whole time and why it was a whole struggle to do a whole entire scene. I understand the problems and I'm about it. I'll suck his dick and do what you need to get you up but if I don't have what you need and if what I have is turning you off then I have a problem. I don't want to do it. I've done scenes like that and I hate that shit and I won't do it anymore. I've turned bitches down too. These girls aren't exempt either. If I hear about them doing heroin or something I'm not going to fuck with that.

My sexual fantasies are really scenario-based. Like one of them is I want to go to the bus stop where they let out all the prisoners when they get out of jail and be like, *Hey, I'll give you a ride!* and get fucked by some dude who just got out of prison who hasn't fucked a bitch in so long. Also I have a fantasy about getting fucked into a gang where I live in this house with all the dudes in a gang and I have to fuck all the dudes whenever they want. I'm like the house bitch. We just drink 40s, smoke weed and I make burritos and fucking fuck these dudes in the gang.

I've been watching a lot of *Lockup Raw* so all of my fantasies are centered around thugs. *Lockup* is every porn girl's porno. All of my girlfriends always love watching *Lockup* or *Gangland*. I like the more ethnic gangs. I'm not so much into the biker gangs because usually there are always centered around some kind of white supremacy and I don't really have a problem with it but it's just not really my thing.

Also I think that white guys have traumatized me. All of my serious boyfriends that I've ever really had a lot of fucked up relationships with have always been white guys and I don't know why but I always end up living with white guys. It's always been bad and Alexis told me, she's like, *White guys have traumatized you. You never want to go out with any white guys now.* And I was thinking about it and she's kind of right because I'll have guys ask me out and I'll go, I don't know why, I just don't like him. I like the gangs that are really bad, like the Haitian gang in Florida is one of my favorites because they're just so brutal and barbaric. They were just so hot and caveman-ish.

Kristina blows Ash's tube steak to a pop and we're done here. "Great job, guys," says Shel Black after shutting down his camera.

"Every time you cum I can really feel it," Jordan says after she wipes his load off her face.

"Yeah," Kristina answers. "My pussy does the death grip on it. I'm not getting laid in my personal life at all so my only outlet for sex is work. Every time I see Jordan it's usually because I'm requesting him because my talent has been so bad that I'm putting my foot down. I want to get FUCKED!

"The limp-dickers fail about every three scenes," says Jordan.

"Guys have the hardest job though," says Kristina. "For a girl, you just have to act more or add more lube or whatever. For a guy, you have to keep wood."

"Yeah," replies Jordan, "but I have a porn generator in my brain that is unparalleled, even by the Internet."

"When I'm working with a guy and it's not working for whatever reason," adds Kristina, "I'm thinking about other people or other things that were good, or I'm thinking about GUCCI BAG!, GUCCI BAG!!, GUCCI BAG!!!

Jordan walks into the kitchen for a few moments, then reappears. "Deprivation is the key," he says approvingly. "Your pussy and my dick fit each other perfectly. I really appreciate it when you come to set horny. I want to know what your rate is so I can hire you more."

It would be different if I were making this shit up to make everyone look good, but I'm not. Actual erection clamping, female orgasms have been confirmed on this porn set.

"It makes you want to bust, man," Ash continues. "It makes you want to cum when a girl's cumming. I'm like, *Oh my god I'm going to spew!*"

I guess you could call this an optimal porno situation, with the girl actually cumming like crazy during the sex scene, where, as we all know, a naturally or unnaturally lubed, non-orgasmic vagina does the job just fine. Kristina Rose works a lot. Do the math.

အရှင် Augustine

This dark-haired hottie with the long, shapely stems and the off the hook hooters is none other than Aryana Augustine. She's a true Southern Belle as is evidenced by the stellar quality of both her smiles—the wide, white one that graces her lovely face and the wet, welcoming one that stretches vertically between her thighs. Currently, she is 100% cuntry and will only get it on with other gals of exceptional gorgeousness on cam. However, her DP here sure seems to foreshadow a romp with a few swordsmen at some point in the future—she takes on that duo of dildos with the dexterity of a ho whose best orgasms come as a result of having her holes crammed full of something hard. But as far as adding men to her raunchy repertoire goes, only time will tell. For the immediate present, dig her in a dual cab self-inflicting a serious double dicking.

WHEEL OF DEBAUCHERY 10
IMMORAL PRODUCTIONS
IMMORALLIVE.COM
DIRECTOR
PORNO DAN
SLUT 'N' PUPPET
ASH HOLLYWOOD, PORNO DAN
PIKXX & ARTICLE BY JEFF HUBRIS

Ash Hollywood is talking non-stop while gazing into the Immoral Studios live computer monitor, reacting to comments from the ocean of "fans" who are apparently "on the fence" about ponying up for this internet show. That familiar "imminent police raid" feeling of perpetual hazard is back again because here we're here for another online broadcast of Porno Dan's *Wheel of Debauchery*, where all seemingly untoward acts fall firmly within the accepted range of the loosely interpreted CRAWL (Chatsworth Residential Anti-Whoring Law) legality clause #33768. Ash will spin the wheel and Dan will be called upon to facilitate any number of penetrational options to satisfy both the tyranny of the wheel itself and the whims of the paying viewers on the other side of the Intranets. There are plans afoot. She has also expressed a desire to shotgun some beers. Gee, lets tune into Ash Hollywood Radio and see what's on!

Am I going to fuck a live cock? A couple of them! One of them will live until the end of time and the other one has a shelf life. There's robocock and real cock...HI RONNIE!...This is live because we don't fake it here at Immoral. You can't cut this shit out... Tell me, what are your guys thoughts on global warming? It's hot!...Everybody needs to join the show because this is the Ash Hollywood show...Do you guys know what one plus one equals in porn? A squirrel!...The tits? They're like the Prius of tits, they're compact, they parallel park well...The horrible part is that I can't fit into jeans. I'm too skinny for skinny jeans and my fuckin' ass and my waist are having arguments right now. They're not getting along. I don't know what the prenup says but I have to do something about this. Anyone have any suggestions? I need something that fits...Alright, let's show them what the wheel has in store today. Let's turn the wheel clockwise. Doggie! Woof woof motherfucker!

This is just a small sample. There's more of course. With Ash Hollywood there's always more. The brain of Ash Hollywood is a complex randomly firing mechanism of unrelated, randomly related or very related ideas and feelings put into words that, like the universe itself, have infinite variation. Nearly anything can happen. From this point on, Ash Hollywood is officially deemed by me as THE PORN AVATAR OF THE STREAM OF CONSCIOUSNESS IMPROVISATIONAL SOLILOQUY until another "talent" emerges who is bizarre enough to wrest that crown away. But I don't anticipate that happening anytime soon, at least in this version of the universe.

There is a lot of self-proclaimed hate here also, of the general rather than the specific variety. General hate encompasses everything, as opposed to specific hate—which is usually directed at a particular target within the concept of everything. I understand that simple act of hating everything is the easy way out and requires less energy. Here's a sample: "I'm a fuckin' hermit," opines Ash Hollywood. "I hate everybody. One thing that you can depend on is my consistency. When I'm fucking complaining and having a shit fit they go, *Ash! Here's a shot of Jack! Here's your fuckin' cigarette!!!*"

Perhaps the lady doth protest too much but, whatever the case, it's always prudent to provide the lady a wide berth until further notice, just in case your danger radar has fallen off a bit. Are we safe here? Good question. Porno Dan knows this drill and understands that the most productive outcome will be achieved by letting Ash drive the boat and kind of follow along unless a course correction is needed. Whatever happens, she'll put the hammer down. No problem. Sort of.

PORNO DAN: Welcome to a fun filled Sunday! And it's a great day because I'm joined by the sexiest little girl I know, Ash Hollywood. It's a Sunday Fun Day with the femme fatale of porn. So fucking sexy. Ash Hollywood, what would you like to tell everybody watching at home?

ASH HOLLYWOOD: Don't try this at home. We are trained professionals and eat panties. Chew your food, with your mouth closed. Why don't you sit on my face and we can start with some deliciousness of ass.

I'm evil. I'm trouble. But that's what you like about me. I'm like Burger King, you can have it your way but you can be McDonald's and fuckin' lovin it. ...Don't you dare. My feet are ticklish as fuck. You'll get kicked. You don't mind being kicked by a whore? ... We're doing questions right now. Don't be shy guys. I'm obviously not shy. There are no personal boundaries with me. There's just a "No Diving sign" because I'm as shallow as a public water. You will break your neck. You have to sign a waiver when you come around me that any injuries obtained around the general vicinity of me are not my fault. Anything lost, including your sanity, I'm not responsible for. ... I love to eat ass as long as it's clean. I'm somewhat of a Germophobe.

ASH: I'm the Mini Cooper of girls. Five-foot-one, 110 pounds dripping wet. I have the face of an angel but the mind of the devil. I was born in Minneapolis and spent most of my life in Michigan. I'm a military brat so I'm very marinated and seasoned in American culture and I fucking hate it. I'm half German, Swedish, Finnish and Native American. I have a lot of that Scandinavian look going on. I've always been a tough bitch. I scare the shit out of people so they can't see how scared I am. Intimidation is my game and I'm pretty fucking good at it. I separate the men from the boys and the girls from the women.

I'm a thirteen-year snowboarder and a wake boarder. I'm into extreme sports. I'm an adrenaline junkie and I love piercings, I love tattoos. As you can see I don't have that many of them anymore. I love to travel. I love to meet new people, but above all I'm an animal lover. I rescue animals, I foster them and I train them. I love my animals. I'm an animal protector. I have a 75-pound Siberian husky and I have a black cat who was born in Vegas and is fucking insane. She's needy, she steals, she's addicted to plastic. I need to do an intervention with my cat and plastic. She will hunt that shit down. She's all cracked out.

I have a little bit of a Southern accent because my mom grew up mostly in the South, in Alabama. I have a little bit of her accent, especially when I have my fuel. I wish Jack Daniels would sponsor me. I wish Jack Daniels, Excedrin, Red Bull and Marlboro to sponsor me. Is that too much to ask? Do you think they'd do it? Can we work on that?

I remember being young and going, *Hey mom, what you think about me being a stripper?* And she was like, *If that's what makes you happy and that's how you make your money just make sure you do it in a city where you make a lot of money.* She's like just take care of yourself and do what you want to do. My mom is amazing. I wouldn't trade her in for fucking anything.

Most immediately before porn I was a mainstream model and a nanny. Before that I was finishing up my pre-med in my hometown. I was going to premedical and I had a minor in psychology. I'm fascinated by psychology. I've been a workhorse all my life. I've always had three jobs or two jobs or 2 jobs and school. I have horrible ADD and I have to be overwhelmingly occupied all the time.

Porno Dan eats some pussy and bangs Ash out on the couch for a while and then sets up a mechanized fucking machine, AKA "Robocock."

"This is fuckin' Robocock," says Ash. "He's awesome, he doesn't fucking talk back, he doesn't have any dirty socks to leave on the floor. You just plug him in and go, but he's very dangerous. And that pretty little flower a girl has? He's got a thing against flowers...I don't know. Ash gets a smoke break."

After placing the rubber penile plunger into her cooch, Dan dials up the PPS level (Penetrations Per Second) to a very respectable speed. Ash Hollywood does not shirk her penetrational responsibility, proving once again that both her vagina and porno being appear to be of strong moral fiber.

Next, Ash proclaims that she will explain to all the physics behind shotgunning a beer. She nakedly skips out for a visit to the official Immoral Productions king-sized beer fridge and quickly returns with two Miller Lights. Not to be outdone, the man responsible for bringing the frat house to the porn house, Porno Dan, will join in...of course.

"He's a frat boy," says Ash. "He needs his red cups."

"Exactly!" replies Dan. "Phi Kappa Sigma! We earn our reputation one beer, one girl at a time."

The cans are punctured from the bottom, the tops are ripped off and are sucked dry within seconds. This is how it's done, ladies and gentlemen.

"Alcohol helps me out," Porno Dan says. "I'm like really nice when I drink. When I'm not, I'm a drag! It's true!"

I agree with Porno Dan. Sad, really.

Ash Hollywood's diatribe of the moment takes an even more philosophical direction. "I broke the bridge and I'm over it," she thesps. "I broke the rearview mirrors, and I can't look back. You know what's great about me? No calories. No fat. It'll keep you busy for hours! I have a very greedy pussy. She likes internal stimulation and external, it is very hard to get me off with just one. It's the clit plus something inside me, you can even shove your ego inside me because sometimes those are pretty big. You need to keep me excited, but that's where the foreplay comes in because the foreplay can cut that in half. If you would like to make me cum quick and hard you build up my blue balls, you know what I mean? I get myself off by fucking people's brains. No...honestly? I like the Hitachi, full power, I put that shit on blast and then usually a dildo or vibrator or anything like that."

The Immoral cameras are rolling because there's another thirty or so minutes to kill and it's all about keeping the customers satisfied. Ash Hollywood locates a white vibrator and applies rotation to the sugarplum. Porno Dan dives in once more, plows through a few positions and then blows a load on her pubic mound.

"Wear a condom guys," says Ash. "Practice safe sex. That's why I told you not to try this at home. We are trained professionals, and you know what? The Bible says, and it truly does, what comes into your mouth isn't evil, it's what comes out. So that means swallow. The Bible legitimately tells you to swallow. Jesus said so."

"I smoke a king size because I'm a fuckin' queen. I'm royalty. My mind is always set on dirty. I could have a bukakke at home with Elmer's glue, then I could just peel it off and sell it. I am pretty twisted. Twizzler's twisted's got nothing on me. Us girls, we are nuttier than squirrel shit."

ASH: I've dated male talent and I have stopped them in their tracks and I'm like, *HOLD UP, you are not on-set right now. Preheat the oven before you bake motherfucker.* Seriously, I'm a lady not a fuck doll. Truly, honestly, and I know this is going to be a bummer kill, I'm more into girls than guys but I like guys because we understand each other. I am not a lady, I am not hardly girly at all, there is not a romantic bone in my body. I love passion, I love anticipation, I love mystery and I love the challenge. That's the dude in me. I'm more about the hunt than killing the actual prey. I like to be challenged and I'm such a dude in the head. The more you'll talk to me more you'll think like, *Ash, you out-dude me.*

You have to understand this. There's no separation between Ash and Ashley which happens to be my real name and I'm sorry I fuckin' hate it. Too common. I'm a Gemini, we have multiple personalities and are nuttier than squirrel shit. The only thing that Ash Hollywood helps me in my personal life do is become more of a gentleman, more of the refined person, because I can leave all of the craziness, debauchery and offensiveness to Ash Hollywood. So I'm on-set and I can purge all of my obscenity and then when I'm at home and I'm me I'm like, *Oh I'm much better now, I got it all out of my system.* The thing that I've always needed being a natural gypsy in my life is having a million things going on at once. Ash Hollywood helps me become a better person in my personal life and everybody loves the Hollywood that Ash is. She's fuckin' crazy.

I've been doing porno for about two years. The moment I get cast for a MILF scene I will hang up the g-string. I'll never get my tits done because I like being compact and fun size. My original plan when I got into med school was to be a plastic surgeon but I wanted to do plastic surgery in the rejuvenation sense, not in the vanity sense. I wanted to fix people that had trials and tribulations through cancer, motherhood, anything, car accidents. If it's not broke don't fix it.

"Thank you guys for watching the wonderful Ash Hollywood," Dan says into the camera during his sign off. Ash informs everyone that she has worked up a gnarly thirst.

"Las Vegas should be relocated to my mouth," she proclaims. "It smells like deserts and hookers."

That's a quotable quote that shall not go uncopied. Another warped dropping from an unquiet mind. This is the unpeaceful lifetrack of a hangout/bangout with Ash Hollywood. I leave you with the words of Waylon Jennings describing time spent with the great Jerry Lee Lewis, otherwise known as The Killer: "Just don't get too close and you won't get hurt."

Texas Hold'em Odds Card

In the game of Texas Hold'em, your goal is to play as many hands as possible against the least amount of players, preferably heads up. The more players involved in any hand may decrease the probability that the best pre-flop hand will win.

The following chart illustrates suited AA – TT and shows the winning percentages for 2, 4, 6, 8, & 10 players.

Please Note: The chart refers to only suited hands. The non-suited hand percentages are slightly lower than those of suited hands.

FUCK ME WHILE I FUCK HER!

CHASTITY LYNN
Stats: 5'7" 32A-24B6 @chastitylynnxxx

Gia Jordan via email: Okay, first the boring stuff. Age, zodiac sign, and your hometown.

Chastity Lynn: I'm 24, a Leo, and born and raised in Seattle, WA.
blog.chastitylynnxxx.com

How'd you pick your porn name?

An old agent picked it for me.

What were you doing pre-porn, and how did you get into porn?

I was going to school. I met this really hot girl named Ellie Idol. I'd never had sex with a girl before. Or used a vibrator. She introduced me to it all! I first shot solo & girl/girl scenes with her for a company called DormAngels.com in Seattle, and soon after, I was getting booked scenes in Miami.

What is it about porn that made you decide, "Hey, I'd like to be a porn star?"

I don't really know. I guess I just sort of fell into it. It's been a rush and good change from my life before which was relatively boring.

Were you a porn watcher pre-porn? Did you have favorite porn stars?

Do you have any now?

I never watched any porn until I started in the industry. My favorite porn stars are Kristina Rose, Katsuni, Skin Diamond, Manuel Ferrara and James Deen.

How long have you been in porn?

Four years.

Your reputation is being a filthy, hardcore performer. Were you always hardcore, or did you start off slow and build up?

I haven't always been a hardcore performer. For the first two years, I performed only for vanilla sites like ATK and Nubiles.net. I started doing anal in my personal life two years ago. It's definitely been a slow build-up.

Have your holes always been this flexible? How do you even GET to do those Jay Sin acrobatics????

No. When I first started playing around with anal, a friend in the industry told me to go check out Jay Sin's scenes at EvilAngel.com. Honestly, I was a little disturbed at first, but also very intrigued. So, I started practicing gaping and putting large toys in my ass. Eventually, I started shooting for Jay Sin. I actually have to give him credit for a large part of my kinky side. The things Jay shoots and the way he shoots them is very fascinating to me.

Why are you just now getting the recognition you deserve?

Three words: Spiegler, Spiegler, Spiegler.

Is winning awards important to you?

What would be the ultimate award to win?

Winning an award would be cool. The ultimate awards would be Best Anal scene, Best Boy/Girl scene, or Best Girl/Girl scene.

Do you enjoy being hardcore in real life?

YES!!!

Were you this hardcore before entering porn? If not, what got you to experiment more?

No, I was not. Before I was in porn I'd never used a dildo or vibrator. Or done anal. Or even had sex with a girl. The freakiest thing I'd done was gotten too drunk at party and had sex with a few boys. But the longer I've been in porn and the more I've seen, I've wanted to experiment more. You only live once :)

What turns you on in real life?

Passionate, aggressive sex from a partner who knows how to dominate me just the way I like it. I need someone who can top how nasty I am.

Who are your friends in the business?

Spiegler, Bruce Venture, Penny Pax, Michael Vegas and Mischa Brooks.

What do you all do when you hang out?

I spin poi with Michael and Mischa. I go hiking with Penny. I go to festivals with non-industry friends. I also really like swimming.

How long have you been spinning poi and who taught you?

Three years. Nicole Ray gave me the idea. I learned off YouTube and from people I've met at festivals.

Are you still learning Japanese?

What was your major at university and how many more years until graduation when you return?

I was learning Japanese for two years, but not anymore. I was majoring in International Studies with a minor in Japanese language. Two more years to graduate! Although, I will change my major.

What scenes are you most proud of?

I love all my scenes, and I love the diversity of amazing people I've gotten to have sex with in porn. I'm most proud of my Pop Rocks scene with Lexi Belle because I designed it myself, and I just love assholes and candy :) And Lexi Belle! Imagine an anal volcano of female asses exploding with Pop Rocks and candy and then those females enjoying each others' candy. It's not released yet. Maybe someday it will go

to DVD. The one released scene that stands out currently is the one for boundgangbangs.com. And, of course, all my Jay Sin scenes for Evil Angel.

Who are your favorite directors and performers to work with?

Directors like Nica Noelle (I love the contrast of getting to have truly passionate sex as if a camera wasn't there. It's sooo hot!) Every-one from Evil Angel and Kink.com, Jules Jordan... As for performers,

(continued on page 76)

I like working with real performers that get into the sex no matter what kind of scene.

Favorite music, movies, TV, books, etc.

I like all music from rock to hip-hop. Electronic to folk—and so many different genres of electronic. I'm into crime series television, and I also watch high school drama shows like *Degrassi* and *The Secret Life of the American Teenager*. I like psychological thrillers like *Inception* and *Minority Report*.

Do companies still cast you in young girl movies, and are you bored by it yet?

Yes, I do still play a teen quite often, and I love it :)

You've been landing more acting roles.

Which features or promo spots showcase your acting abilities the best?

Last Summer I did a TV show on Showtime called *Beach Heat Miami*. Then recently I shot a wife-swap movie for Digital Playground. I also had a pretty cool role in *Friend & Family 2* (Smash Pictures.)

What's your most unique request from a fan?

I've gotten some weird ones. The one that comes to mind is a fan asking me what foods he should start cooking his cum into in order to get his girlfriend to consume more of him.

What's the coolest thing a fan's bought you off your wishlist?

My fire poi and flow toys.

What was your most recent tweet?

"I had an awesome scene today. I had long orgasms and my fingers smell like butthole." 🐱

DIRECTOR

SLUTS
AMBER, IZY BELLA, TRISTAN

PIXXX & ARTICLE BY JEFF HUBRIS

Southern California, specifically the Los Angeles area, is the center of the porn industry for very good reason. This is the place where permissive sexual lifestyle choices meet business. L.A. is, very truly, a city of whores. Hall of Fame director Jim Powers is a huge L.A. Galaxy supporter and suggests I show up at a house near the soccer stadium a few hours before the match. He's been called in to shoot video for a drunken party/orgy involving soccer hooligans. I say why the fuck not so I check it out.

The party room is located in a small, shed-like apartment behind a plain, two-bedroom house on a small lot several miles north of the stadium. It's like 100 fucking degrees inside this flop and everyone is totally plastered. I don't know who the fuck these people are. I meet Izy and Tristan, two girls who have just arrived here from Miami. I record them talking about their sexual proclivities. I've seen this other girl Amber before. I run into her coming out of the bathroom and hit her up about the same subject. As usual, I have transcribed the results for you, dear reader.

Powers is getting his camera up to speed and wants to get this over with before people get too hammered. I ask for further explanation.

"It's a big rivalry game tonight so people really get up and they want to party all day long," he shouts over the din. "So there's this party going on with a group of people from the Riot Squad section down in Carson at the Galaxy game and we stopped down here and it's just fucking drinking and people are fucking and we're filming this shit of these people just getting their angst out because they have to get down to the stadium and be in the Riot Squad chanting and being into soccer. That's what it's all about here in Southern California, hardcore partying and soccer games!"

Apparently you can sell this stuff and it'll end up on a website. Powers knows how to do this shit as well as anyone. Godammit it's hot in this fucking place. The girl's tops come off and shit starts to roll. There is a lot of noise and screaming.

"You girls are crazy!" one dude yells. "Drop it like it's hot, motherfucker!" comes from somewhere else. "Titties, titties, titties!" another dude chants. "Suck her tits, Suck her tits, suck her tits!" Dicks get sucked and the fucking breaks out on a low slung bed that has been pushed into a corner. Duh.

All three of these girls I talked to are way into fucking in front of people. This kind of shit doesn't happen in the flyover states like it does here. SoCal is just way more over the top.

"These football fans are just whores," Powers says. "It's insane, I just get called in to come down and document these things. I feel like Jacques Cousteau. It's like going to the Great Barrier Reef. I'm just watching it happen in front of me. I'm just happy to be part of it. It's a spectacle of something wonderful."

TRISTAN: I like all kinds of sex. I don't like anal. I like anal but not on camera. To be honest, sex is like my ultimatum. I'm a pretty crazy girl. Some girls don't cum from fucking but I cum generally almost every time when the guy knows how to work, I would say, the motion of the ocean. Doggie is one of my favorites, it feels really good. I like my ass up in the air. I love feeling submissive, I love it. Have you ever heard of the magic wand? It's the best thing ever. You put it on your clit and it's awesome. Omigod, that thing makes me cum in like two minutes. I squirted the other day actually from it. It felt amazing. It was great. It was fun in there. It was exciting. My friend Izy is one of my favorites. I love to see her fucking. I want to be a dentist. I have a fascination with teeth. I'm going to try to go to NYU dental school. I'm Italian, German and native American.

AMBER: I need clitoral sensation to be really happy. I enjoy the group sex for work or sometimes a threesome. I like to be with a couple and see how they share and be a part of that. It really turns me on and I desire to be included. I like one-on-one and I like orgies from time to time. I like looking into someone's eyes that's really into it and you can tell that they're really enjoying you and the physical pleasure of it. I think about people that I've been with, what I really enjoy and people I would like to be with and how I imagine it would be. That gets me off. I like doggie because it goes really deep and they can grab my tits and pull me into them and I can still feel them and pull me into them easily too and rub my clit as they're grabbing my tits. In cowgirl you can get the clit and it goes deep and hits my G-spot. Some guys become too mechanical and maybe they never got the intimate and sensual part of it first and just got right into the mechanical-ness of it. It's good to have a balance of both I think. It's always better to have more foreplay. In the end it makes it that much better in my experience.

Pretty packrat Mandy Armani is full-on obsessed. She's got stuff up the wazoo yet she still can't bring herself to toss anything out. Not only does she never get rid of rejectamenta, she makes a special effort in her free time to amass more mess. It's amazing how easily one person's trash can become a frashy girl's treasure. Mandy's dirtiest secret is that she finds sundries sexy and loves to rub one out when surrounded by rubbish. This is why she always hides a dildo somewhere deep inside her storage container, so that she can dig it out and dip it in when wallowing in refuse has made her randy. Mandy carefully drapes her naked self atop the debris and spreads her legs wide apart, sliding the giggle stick in and out of her gash until she climaxes to the sound of breaking glass.

The Twitter Interview

@KatieSummersXxX

If you set out to build the perfect porn slut, Katie Summers just might be the prototype: blonde, big boobed, with a sexual appetite for all things dirty and raunchy. However, there is nothing "typical" about Ms. Summers. She is, as she describes herself on her Twitter profile, an epic of epic epicness! Charismatic, fan-friendly, and drop-dead gorgeous. Having gone through different hairstyles, hair colors and even a boob job, one thing that hasn't changed about Katie is her attitude. She's still the same charming girl from Texas that she was when she entered the industry, and at just twenty-two, she's got a lot more in store for her fans. With almost 53,000 Twitter followers, the anticipation of what Katie Summers does next just continues to grow.

@Gabriel_Lan: You were recently involved in a music video shoot. Who was it for, and how did that opportunity come about?

@KatieSummersXxX: I was in two music videos actually; one for former porn star Bree Olson and the other for one a good friend, Stu Stone.

@KatieSummersXxX: The one for Bree was through my agent and Stu is a direct contact. Both were a blast! I had so much fun and hope to be in more very soon.

@Gabriel_Lan: From what I gather, you get along well with almost everyone. Do you consider yourself "friendly" or a "people person?"

@KatieSummersXxX: I consider myself more of a friendly person. I try to get along with everyone, but sometimes I have to play nice, because I hate conflict.

@KatieSummersXxX: Maybe that's a flaw of mine, because I want everyone to like me. But, I know you sometimes have to kill them with kindness :)

@Gabriel_Lan: That personality and charm makes it easy for you to make friends I would guess. You feel you've made some real friends within the porn industry?

@KatieSummersXxX: I have definitely made some real friends in the business. It has been hard trusting people but I think I got lucky with the ones in my life.

@Gabriel_Lan: Do you think that outgoing personality and charm has anything to do with growing up in Texas?

@KatieSummersXxX: I think it has more to do with how my parents raised me. I'm always the first person to say "Hi" to someone I haven't met.

@KatieSummersXxX: I love making people happy. My parents taught me how to be nice to everyone and always have a good time no matter what I'm doing.

@Gabriel_Lan: So, is the saying true? Is everything bigger in Texas? LoL

@KatieSummersXxX: LOL! The people in this business I have met who are from Texas have big asses, big dicks, or big tits, maybe some big heads...KIDDING!

@KatieSummersXxX: But yes, everything is bigger and better in Texas!!

@Gabriel_Lan: Speaking of things being bigger, you got a boob job earlier this year. The results are pretty impressive. Are you happy with your decision?

@KatieSummersXxX: Yes. I actually got them done last year. I absolutely love my boobs now. I loved them before, but I always wanted them bigger so I got them.

@Gabriel_Lan: I always support girls when they feel bigger boobs will make them more confident. Is that the case with you? Feel more like "yourself" now?

@KatieSummersXxX: I don't think the boobs made me feel more like "myself" because then I would be fake LOL.

@KatieSummersXxX: I just like big boobs and I always wanted them so, hey, I got them and I still feel the same.

@Gabriel_Lan: Have you reaped any rewards by getting shoots that you feel you would not have gotten before?

@KatieSummersXxX: Yes! I've had the privilege to do some amazing scenes I'd wanted to do and I've worked with some great companies and some amazing people.

@KatieSummersXxX: Things are going great for Katie Summers in 2012!!

@Gabriel_Lan: Do you ever have the time to have an actual romantic relationship while being in the biz? How difficult is it?

@KatieSummersXxX: I personally choose to be single. It's easier. Being only 22, I want to have fun and not be tied down to anyone at this point in my life.

@KatieSummersXxX: Life's too short and a relationship can come later. Don't get me wrong, I need a man to take care of business without being committed :-)

@Gabriel_Lan: What qualities does a guy need to possess to attract you...or to at least let him "take care of business" for you?

@KatieSummersXxX: I like a guy to put up a challenge. If he doesn't come "hard" and "cocky" and is just himself with a little bit of swag it gets me going.

@KatieSummersXxX: The harder to get someone is, the harder I try to get them.

@Gabriel_Lan: Women are often referred to as being "dramatic," but are men much different when their ego is bruised?

@KatieSummersXxX: Guys are secretly as dramatic as girls are when their ego gets bruised. Seriously, what guy doesn't want to seem like a pussy?

@KatieSummersXxX: So instead he talks shit. Guys are silly when it comes to things like that. Thank Baby Jesus that girls aren't afraid to show their emotions.

@Gabriel_Lan: Do you consider yourself a "girly-girl" or more of a tomboy type?

@KatieSummersXxX: I'm actually both. Some days I'm a total girly-girl and I get prissy, bratty and dress up.

@KatieSummersXxX: Then other days I'm in total chill mode with my hair up, a t-shirt, basketball shorts and my high tops. I'm the best of both worlds.

@Gabriel_Lan: What do you do for fun, away from the porn industry? Do you have any hobbies or things you're passionate about?

@KatieSummersXxX: I love writing. It's my way to let everything out. I'm actually in the process of writing a movie and can't wait to finally get it started.

@KatieSummersXxX: I also love going to the beach on a hot California day—it relaxes me, and being by the water is like a breath of fresh air.

@Gabriel_Lan: Including your kink.com shoots and many others, you've done just about everything. Is there anything you haven't tried that you want to do?

@KatieSummersXxX: Double anal is the next thing on my extreme to-do list.

@Gabriel_Lan: As a multiple Spank Bank Awards winner last year, what are you doing to impress the panel (me) and judges (me) to be nominated this year?

@KatieSummersXxX: Definitely getting my ass fucked a lot more and being a bigger whore than last year. I can't help it, but the dirtier the better.

@KatieSummersXxX: I'm heading for the top of that list!

@Gabriel_Lan: LoL Getting your ass fucked a lot more will definitely impress the judges (me.) Do you have a preference between length or girth for anal?

@KatieSummersXxX: I prefer someone thicker than longer. The idea of someone stretching out my ass makes me cum...HARD!

@Gabriel_Lan: You were also nominated for an AVN award last year. Is winning awards something you want to accomplish in your career?

@KatieSummersXxX: Fuck yeah! I'm determined to get an award for Crossover and Best Anal!

@Gabriel_Lan: You consider yourself bisexual, correct? When did you first realize that you liked girls as well as guys?

@KatieSummersXxX: I had sex with a girl before I had sex with a guy. I always knew I liked girls while I was still a teenager.

@KatieSummersXxX: There is just something about a woman's body that I admire.

@Gabriel_Lan: Sports are a big deal in the South. Did you play sports growing up?

@KatieSummersXxX: I used to play softball, and I was always the only girl that would play football with the boys. I effin' love sports!

@Gabriel_Lan: Also big in the Bible Belt—religion. Many of the girls in the industry today are from that area of country. Is there a correlation? LoL

@KatieSummersXxX: I'd say it's rebellion...to break away from what they grew up knowing.

@KatieSummersXxX: I came from a very strong Catholic family and look at me now, I take it up the ass and get DP'ed ':-)

@Gabriel_Lan: Hopefully this is a long ways away, but what do you have in mind to do after your career is over? Given it any thought?

@KatieSummersXxX: I want to be a director and producer for both porn and mainstream. Also hopefully have my own clothing line.

@Gabriel_Lan: What do you have planned in the coming months? Are you working on your own website?

@KatieSummersXxX: My website will be up very soon and I'll be doing a lot more anal scenes :-)

@Gabriel_Lan: With so many girls flooding the market with their own sites, what will you do to help you stand out in the crowd?

@KatieSummersXxX: My site will be full of all the epic things I do already. Now I'll just get to personalize my own fantasies.

@Gabriel_Lan: Can your fans find you webcamming anywhere currently?

@KatieSummersXxX: I don't do a lot of webcamming, but some of the scenes I do are live! Several of Immoral Productions' shoots, for example.

@Gabriel_Lan: Any plans to do some feature dancing in the future?

@KatieSummersXxX: Well, I blew out my knee last year so dancing isn't in my plans anytime soon. Once I get my knee drained then I'll be good to go!

@Gabriel_Lan: You have appeared in *FOX* several times now. How many copies would you estimate you have caused to make the pages get stuck together? LoL

@KatieSummersXxX: 8,354,890,652! Yep, that many, LOL. Just kidding. Probably a lot. I love being in *FOX*! It's my absolute favorite!!!

@Gabriel_Lan: Multiply that by the number of unborn babies that stuck those pages together lol. Think you'd make a good Cum Target in a future issue?

@KatieSummersXxX: DUH!!! I'm the BEST Cum Target hehe!

FOX TOP 25

Who are You jerking off to? FOX wants to know, so once again we asked You who the hottest and sexiest pornstars are, who You're fantasizing about, and who's making You spill that baby batter. Basically, who's in Your personal Top 25. Once again we went to Twitter to seek out fans willing to share their opinions, and once again we discovered that You dirty-minded perverts really have a diverse selection of favorites. A grand total of 375 different porn whores received votes. There was some movement in the rankings this time around too, but Lily Carter retains the top spot. The only rule voters were given was that the pornstars themselves must be currently involved in shooting scenes in the porn industry. (For example: Jada Stevens = Yes! Sasha Grey = No!) Points were awarded as follows: 25 points for a 1st place vote, descending to 1 point for a 25th place vote, plus bonus points for number of appearances on separate lists. Here are the results:

Gracie Glam & Ann Marie Rios

PIXXX BY STUBBORN STAIN

Brunette bathing beauties Gracie Glam and Ann Marie Rios have spent many a steamy, sticky afternoon loving each other up in the sunshine. They've licked and nibbled each other's most private places inside and out, over and over again, and both have enjoyed countless quim-quaking O's entwined as one. But for these frisky femmes, familiarity does not breed contempt. Ann Marie would never, ever take Gracie's gash for granted while Gracie totally gets the full-frontal value of Ann Marie's vage. Therefore these dikey dimes still grind their gineys for all they're worth whenever they hook up, even though they've done it about a billion times before. These gals know they've got a good thing going and both are terrifically appreciative of that fact. The way they see it is, every single time they fuck, each is afforded the opportunity to gain a deeper appreciation of the other. And to these lovely lezzies, such an eXXXtreme level of pussy perception is priceless. 🐱

PIG SAUCE
EDITION!

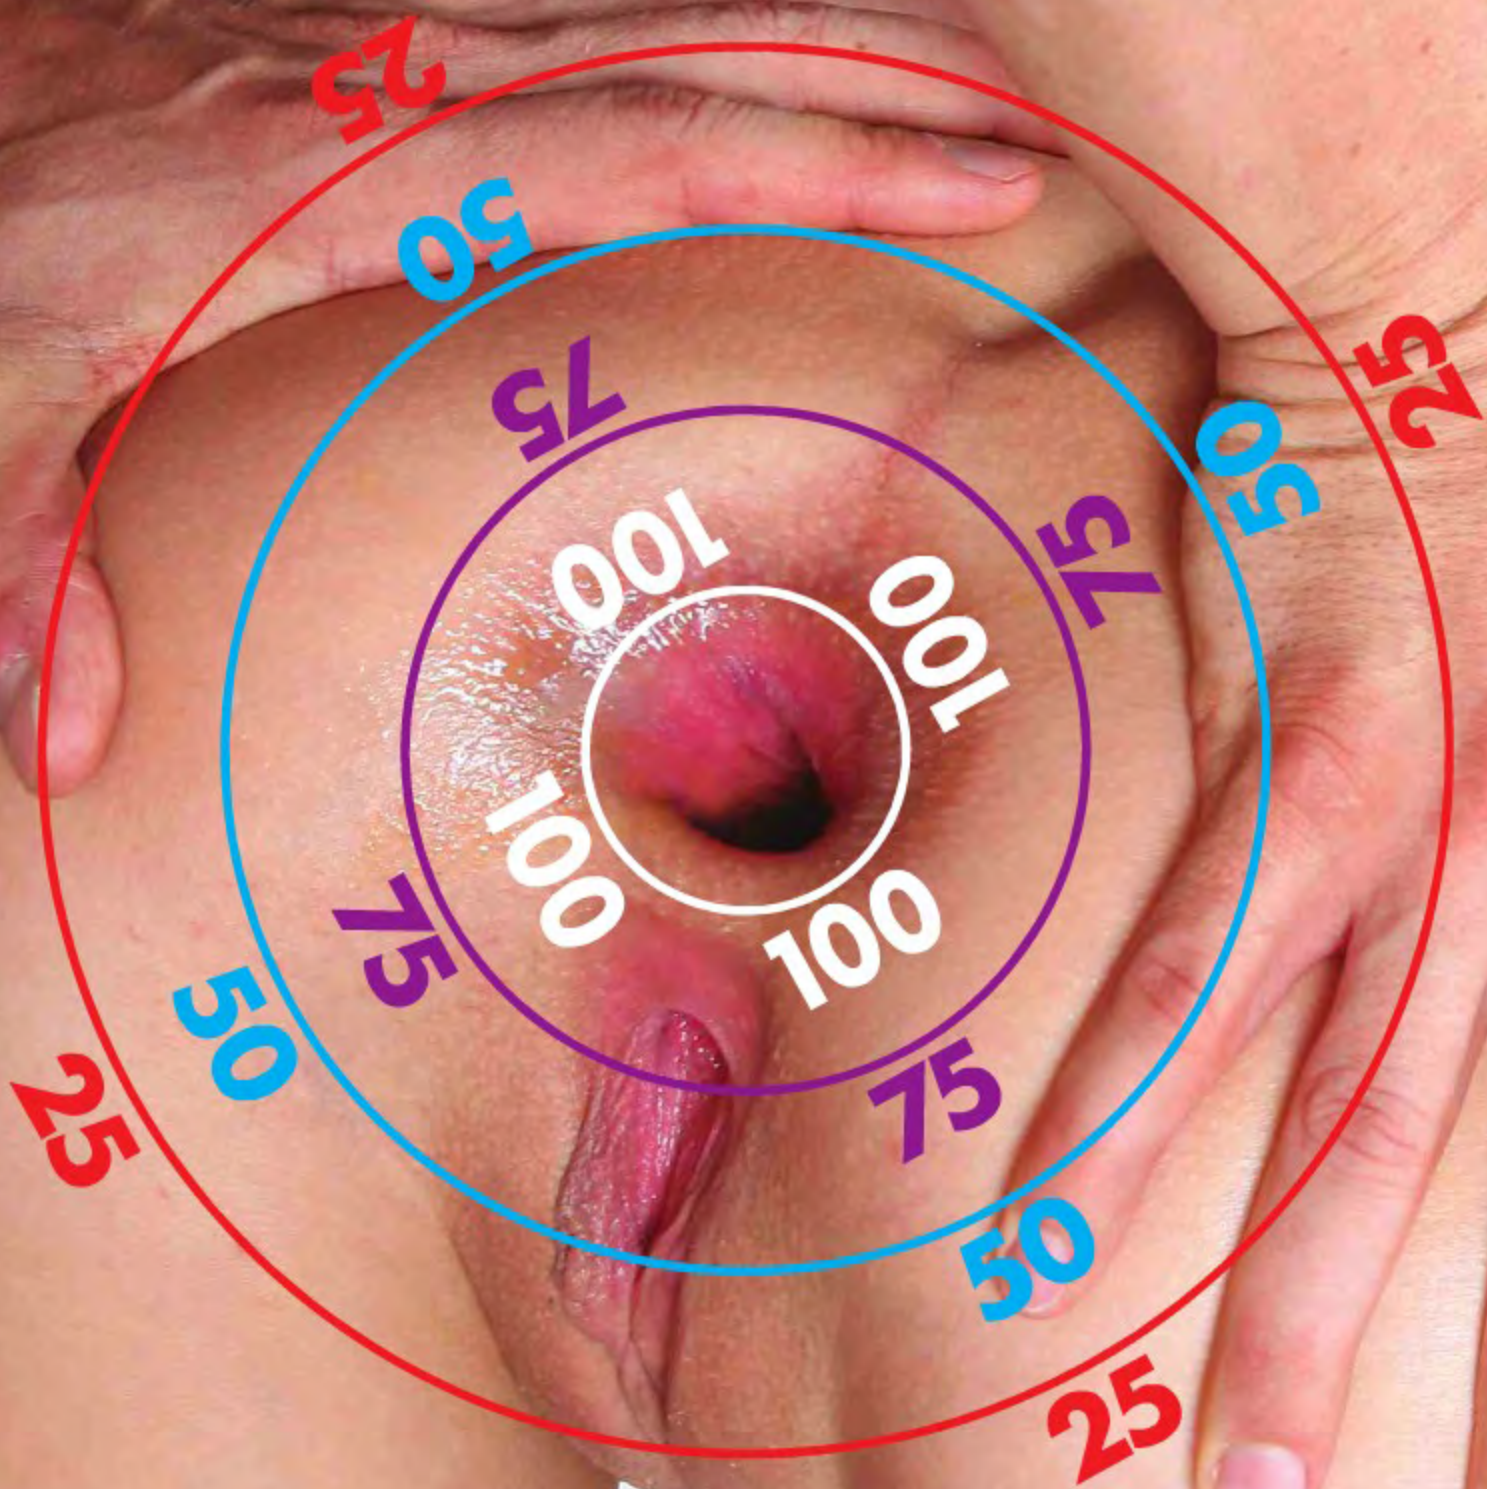

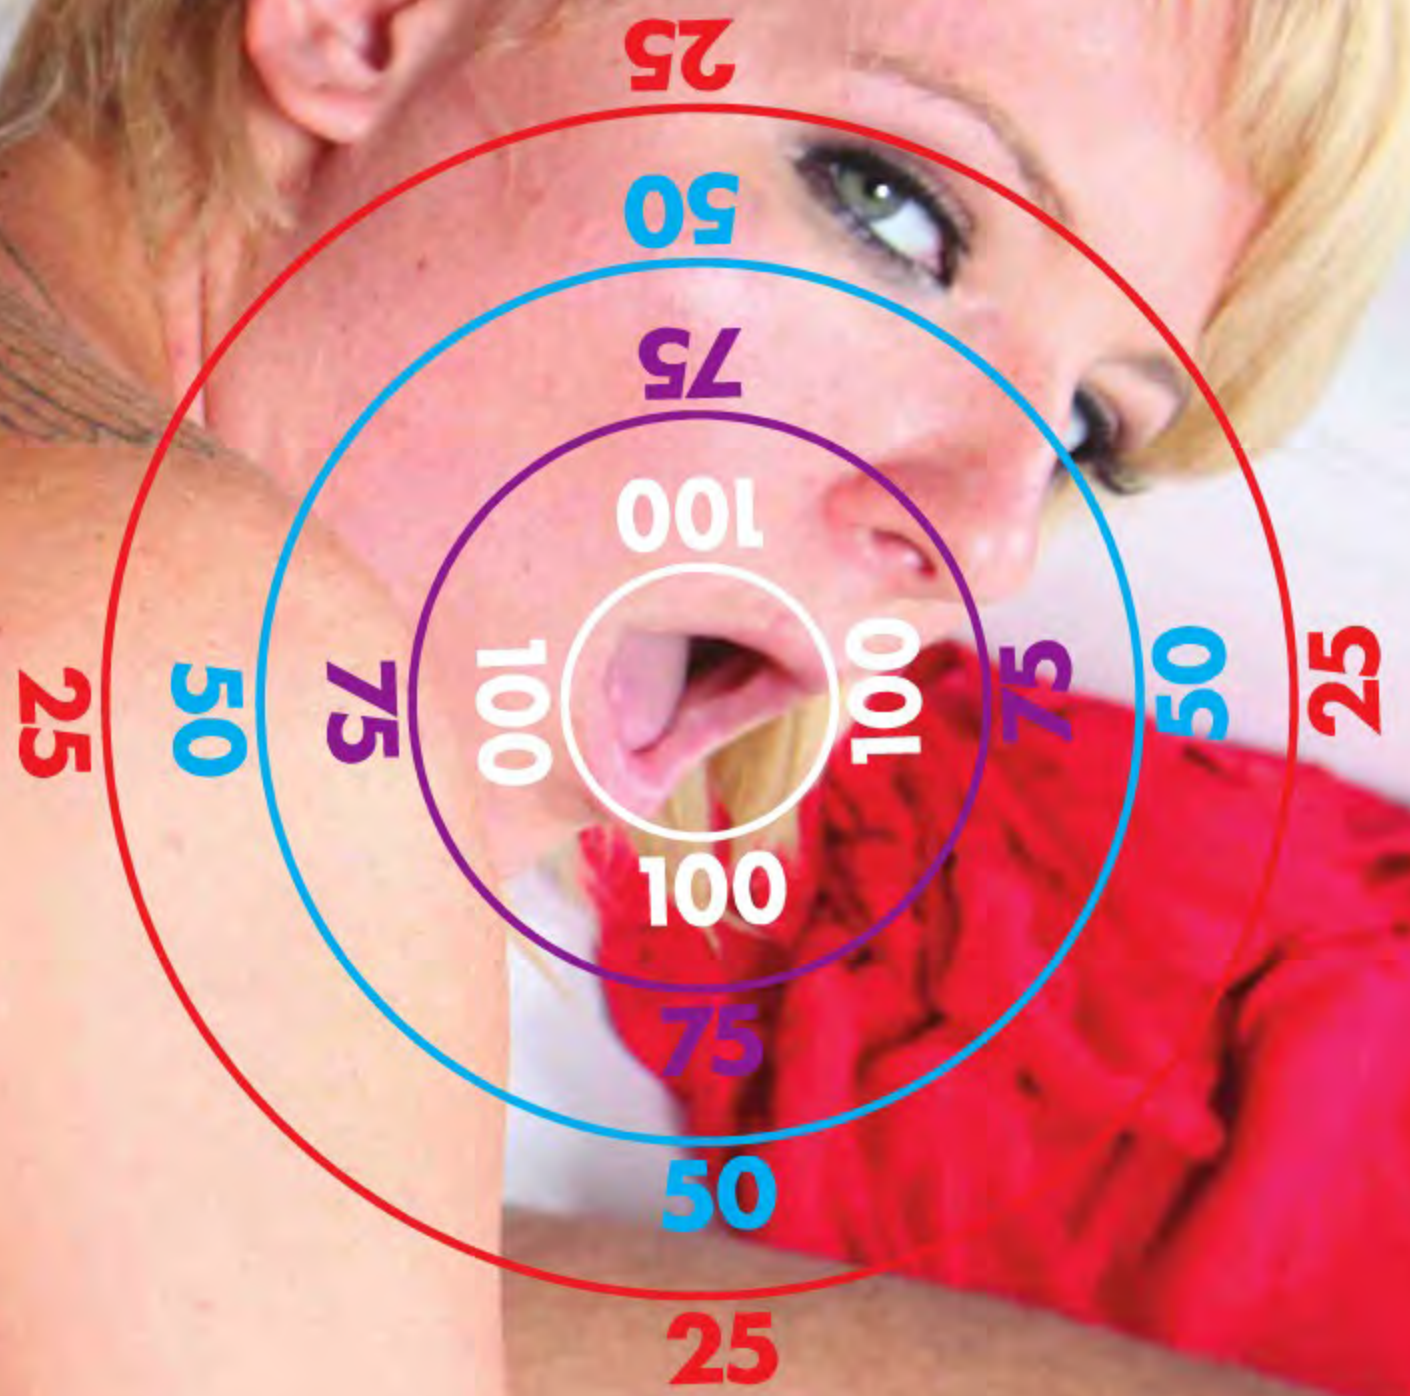

Beaver butcher Tim Von Swine is at it again. This time around, he's tenderizing the twat of fresh-faced beauty Monica Rose. She may look sweet but she sure isn't shy—Monica maneuvers her darling little kisser over Mr. Von Swine's family jewels like a lamprey latching on to some salty sunken treasure. She hoovers him until she's more than a little light headed and needs impalement by pig pole to feel grounded again. Swine slides thick helpings of sausage into her meat slipper with smooth, steady strokes until she's back on her feet, so to speak. Monica thrashes and moans, grinding her velvet vage against Swine's mighty shaft—clenching him balls deep—until she squealingly succumbs to climactic convulsions. Then our hero holds out for a few final thrusts before hosing down the outside of her just-shaved snatch with hog juice. 🐷

*"HotMovies is Absolutely Fantastic!
I have a very powerful internet
connection and I can stream high, ultra,
and mega and the picture quality is
super! It's excellent crystal clear clarity
and I don't get a single bit of buffering.
It's worth paying more money for a very
high-powered internet connection like
mine. I'm building up a large collection
of titles. The 160,000 titles are
mind-blowing. That is a monstrously
huge amount of titles, but with me having
a good paid job, I'm going to keep my
collection growing. I've got around 130
top titles to date, and my world class
hand jobs keep exploding the man cream.
What a great feeling that is! It's awesome!
Top respect to the HotMovies Empire!"*
